Overhaul of HealthCare.gov's “Apply for Health Insurance” Webpage

Overview
Midway through the open enrollment period, between November 14 and November 21, 2018, HealthCare.gov’s “Apply for Health Insurance” page was overhauled by changing the page’s format and altering a list of ways to apply for health insurance. Previously, the page contained a table that listed five ways to apply: 1) Online (using a HealthCare.gov account), 2) By phone, 3) With in-person help (receiving help from an assister), 4) Through an agent or broker, and 5) By mail. This table was removed and replaced with four ways to apply: 1) Find and contact an agent, broker, or assister; 2) Have an agent or broker contact you; 3) Use a certified enrollment partner’s website; and 4) Use HealthCare.gov. The overhaul included removals and additions of links listed within each way to apply. One of the links that was added is listed under the “Have an agent or broker contact you” section of the page and leads to the “Help on Demand” website, a third-party, non-governmental consumer assistance referral system.

Background
Agency details: HealthCare.gov is a website managed and paid for by the Centers for Medicare & Medicaid Services (CMS), part of the Department of Health and Human Services (HHS). The website, launched on October 1, 2013, is the primary health insurance exchange website operated by the federal government under provisions of the Patient Protection and Affordable Care Act (ACA). CMS also administers Medicare, a federal health insurance program, and works with state governments to administer Medicaid and the Children’s Health Insurance Program.

Communications about changes: Neither CMS nor HHS has proactively communicated about or explained these changes detailed in this report.

Description of Most Notable Changes
1. Between November 14, 2018 and November 21, 2018 (see the Internet Archive Wayback Machine’s (IAWM) snapshot from November 22, 2018), information on ways to apply for health insurance was changed on HealthCare.gov’s “Apply for Health Insurance” page:
   a. The page previously had a table with two columns: the “If you apply this way” column listed different ways to apply for coverage and the “You’ll do this” column listed information and links to relevant webpages for each option. Each item below was found in a separate row within the table and was listed under the “If you apply this way…” column (Note: The options are listed in the order they appeared on the page):
i. Online  
ii. By phone  
iii. With in-person help  
iv. Through agent or broker  
v. By mail  

b. The table was removed and replaced with four blue boxes, each listing a different way to apply (Note: The options are listed in the order they appear on the page):  
   i. Find and contact an agent, broker, or assister  
   ii. Have an agent or broker contact you  
   iii. Use a certified enrollment partner’s website  
   iv. Use HealthCare.gov  

c. Links within each listed way to apply were removed, added, or are still present with altered link text:  
   i. The text and link for two options were completely removed from the page (Note: Removed links currently lead to live pages):  
      1. “By phone”  
         a. “A customer service representative helps you fill out an application, review your choices, and enroll in coverage. How: Contact the Marketplace Call Center.”  
      2. “By mail”  
         a. “Fill out and mail in a paper application. You’ll get eligibility results in the mail within 2 weeks. Create an online account or use the Marketplace Call Center to enroll. How: Download the Marketplace application (PDF) and instructions (PDF).”  
   ii. Two options, along with corresponding text and links, were added to the page:  
      1. “Use a certified enrollment partner’s website”  
         Apply for and enroll in Marketplace plans through the website of an approved enrollment partner, such as an insurance company or online health insurance seller. Get Started”  
      2. “Have an agent or broker contact you”  
         Enter your information and a Marketplace-registered agent or broker will contact you directly. Get Started”  
   iii. A link that leads to HealthCare.gov’s “Create an Account” page, previously listed as the first way to apply, is now listed as the last option.
iv. A link with the URL https://localhelp.healthcare.gov was added to the page. The link, located in the “Have an agent or broker contact you” section, leads to marketplace.helpondemand.com, the “Help on Demand” website. This website is a third-party, non-governmental consumer assistance referral system.

Note: Throughout the entire report, links to captures of pages from the Internet Archive’s Wayback Machine’s (IAWM) on specified dates are provided for reference. IAWM displays time in GMT, but WIP reports dates and times in EST/EDT.

Webpage 1: Apply for Health Insurance

- URL: https://www.healthcare.gov/apply-and-enroll/how-to-apply/
- Changes occurred between November 14, 2018 and November 21, 2018, according to a combination of WIP’s monitoring software and IAWM.
  - See IAWM snapshot of the webpage after the changes from November 22, 2018.
  - Note: Changes to and removals of information that occurred outside the date range above are not detailed in this section. See Additional Information for examples of changes that happened prior to this date range.
- Previous versions of this webpage are available in the Centers for Medicare & Medicaid Services archive of the HealthCare.gov domain; see a version from November 14, 2018.

Webpage 1 Details:

1. Webpage 1, the “Apply for Health Coverage” page, was changed between November 14, 2018 and November 21, 2018 (nearest IAWM version from November 22, 2018).
   a. The changes included alterations to text, removals and additions of links, and changes to formatting (see Screenshot 1 for a comparison of the formatting changes).

2. Altered header (Screenshot 1):
   From: “5 ways to apply for 2019 health insurance”
   To: “4 ways to apply for 2019 health insurance”

3. Altered informational text and link at the top of the page (Screenshot 1):
   From:
   “You can apply for a 2019 Marketplace health plan using any of the methods below. Before you apply: Preview 2019 plans with personalized price estimates.”
   To:
   “There are several ways to apply for and enroll in 2019 Marketplace health coverage. Choose a method below to see next steps:”
   a. The removed “Preview 2019 plans with personalized price estimates” link with the URL https://www.healthcare.gov/see-plans/ still leads to a live page where users can “preview 2019 plans & estimated prices before you log in.”

4. Removed entire table and all corresponding text explaining different ways to apply for health insurance (Screenshot 2). The table included two columns: the “If you apply this
way” column listed different options for applying and the “You’ll do this” column listed information and links to relevant webpages for each option. *(Note: All links found in the following text currently lead to live pages. While some of these links have been removed from the page, some links are still present on the page but appear in a different location on the page and/or have different link text. See Table 1 for details about each link):*

**Table 1**: Links that have been added to, removed from, or are still present in sections describing ways to apply for coverage on the “Apply for Health Insurance” page between November 14, 2018 and November 21, 2018 (see the nearest IAWM capture from November 22, 2018). The following table details the link URL for each of these links and the section (the option for applying) the link was listed under on the previous and current versions of the page (i.e. the “way to apply” with which the link is or was associated). All links — whether they have been removed, added, or are still on the page — lead to live pages. The table additionally lists the title and description of the page that corresponds to each link (except when noted, IAWM versions of the pages in this column are from November 22, 2018). See Screenshot 2 and Screenshot 3 for information about order placement of links on each version of the page.

Additional Information: Changes to the Spanish-language version of the “Apply for Health Insurance” Webpage and Previous Changes to the English-language Version (Webpage 1)

1. The Spanish-language version of Webpage 1, “Cómo solicitar seguro médico en el Mercado,” which is hosted on the CuidadoDeSalud.gov domain, was overhauled in the same way as described in the Webpage 1 details.
   a. URL: https://www.cuidadodesalud.gov/es/apply-and-enroll/how-to-apply/
   b. Changes occurred between November 14, 2018 and November 20, 2018, according to a combination of WIP’s monitoring software and IAWM. (see IAWM snapshot of the altered webpage from November 21, 2018).
      i. The link URLs listed on both the previous and current versions of the “Cómo solicitar seguro médico en el Mercado” page lead to the Spanish-language versions of the same pages as the link URLs listed in Table 1. 
      Note: There is an error in the link URL for the link listed in the “Use CuidadoDeSalud.gov” section of the current version of the “Cómo solicitar seguro médico en el Mercado” page. The URL for the listed link, https://www.cuidadodesalud.gov/es/create-account, leads to an error message that the page cannot be found or that the URL is incorrect: “Lo sentimos, no podemos encontrar la página en CuidadoDeSalud.gov. También es posible que haya escrito la dirección incorrectamente.” The link in the corresponding section of Webpage 1 leads to a page called “Create an Account.” The correct URL for the Spanish-version of the “Create an Account” page on the CuidadoDeSalud.gov domain is https://www.cuidadodesalud.gov/create-account.
   c. Previous versions of this webpage are available in the Centers for Medicare & Medicaid Services archive of the CuidadoDeSalud.gov domain.

2. Prior to the changes that occurred to Webpage 1 between November 14, 2018 and November 21, 2018 (see the nearest IAWM capture from November 22, 2018) detailed above, text was routinely altered on the page according to whether or not users could, at a given time, apply for a Marketplace health plan (i.e. whether or not it was Open Enrollment) (Note: All links found in the following text currently lead to live pages.):

iv. **Altered** text and links within panel at the top of the page:
   From:
